

Advent

Activities.

Save your empty loo roll, kitchen roll and

Christmas wrapping paper roll tubes – you're going to need them!

December 1st

Yay the first day of Advent and for many of us the first piece of chocolate from the

calendar. Why not set aside a box and if you are able to every time you open a door on your calendar pop something in for the local Foodbank.

Details of where you can take your gifts to are on the other window of our noticeboard – on the left!

December 2nd

Make a Christmas card for your teacher. Fold a piece of card in half and use colourful paper straws to make a Christmas tree. Draw and colour in a star at the top of your tree.

December 3rd

**Paper
Chains**

Cut strips of coloured paper and glue them together to make chains to decorate your room.

December 4th

How many words?

How many words of 2 or more letters can make from the phrase

Merry Christmas

Thinking caps on there are 1,360 possibilities including 6 ten letter words !!

December

5th

Today start making a loo roll tube nativity.

Using loo roll tubes

(or wrapping paper or kitchen roll tubes), scraps of material, paper and coloured pens make Mary, Joseph and Baby Jesus.

Keep an eye on this board throughout Advent. We will post new activities for each day.

Let us know how you get on at:
